**Tim O'Brien : Tennessee Off the Beaten Path, 6th: A Guide to Unique Places (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Tennessee Off the Beaten Path, 6th: A Guide to Unique Places (Off the Beaten Path Series):

6 of 6 people found the following review helpful. Disappointed.By Travelin' SueI wanted to use this book to plan

some interesting stops along and off of I-40. However, there are minimal maps and unless you look up every single town in each division of Tennessee, you have no idea if they are anywhere near I-40 or not. When I have purchased from the "Off the Beaten Path" guides in the past, they had maps with the places discussed marked at least in some way. I frankly don't know how you would much use this book to plan a trip across Tennessee. It would only be helpful if you lived there and wanted to explore around a segment of the state.

Use this guide to discover off-the-beaten-path Tennessee in gas station-general store combinations, on two-lane roads, or in towns such as Bucksport.

About the Author Tim O'Brien is a veteran news reporter and editor who now travels the world's highways for a living as senior editor for Amusement Business Newsweekly.
