Willow Creek Press : Texas 2015 Wall Calendar (Roadtrip USA) before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas 2015 Wall Calendar (Roadtrip USA):

0 of 0 people found the following review helpful. Five StarsBy MJTBeautiful pictures and look forward to enjoying it all year long.

The vast state of Texas with its prairies, coastlines, forests and deserts is beautifully portrayed in these twelve landscape photographs. And because Texas is a road-trippers dream, this unique calendar also includes suggested destinations, annual events and helpful websites to help you make the most of your future Lone Star state outings. The large format wall calendar also features six bonus months of July through December 2014; large grids with ample room for jotting notes and reminders; moon phases; U.S. and international holidays.

About the AuthorOur location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 250,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.
