Texas Bed Breakfast Cookbook By A E Blanc Not only does this cookbook have great recipes for the home cook, it also has great information on Bed Breakfast Inn's in Texas that the reader may want to sample as well! 0 of 1 people found the following review helpful. review helpful. A Travel Guide and a Cookbook all in OneBy misplaced cajunThis cookbook reminds me of the Junior League cookbooks from back home. Each recipe comes from a different bed and breakfast or boutique hotel in Texas. They're nice, down-home, and mostly easy recipes that anyone can make. I also like that it's a full cookbook with appetizers, lunches, desserts, and breakfasts. Another great thing about this book is that there's a nice description and picture of each of the inns.

Owners and chefs from Texas B&Bs, Guest Ranches, and Country Inns share their most requested, mouth-watering, award-winning recipes, many with make-ahead or time-saving tips.
