had a older one, and wanted the newer one. I love these books. there are a lot of neat things in them. I plan on making a few stops at some of the places that are in this book, on the way to and from vacation this year! My kids think these are the coolest things on earth! They love going through the books and picking things for us to do. Now that I have the 2 books there wont be so much arguing about who's turn it is to look at them!!! The book was used and in very good Condition when I got it!!!! I plan on getting books through again!!0 of 0 people found the following review helpful. Humor columnist John Kelso captures the strange-but-true spirit of Texas with this combination almanac, off-the-wall travel guide, and wacky news gazette. His narrative entertains and provides plenty of choice material worthy of repeating at social gatherings--a great read for Texans, Texan wannabes, and anyone who enjoys humor and trivia with a twist.

"John Kelso is the Lewis and Clark of weird in Texas. If he can't find it, it ain't there."--Gary Cartwright, Senior Editor, Texas Monthly
