John Kelso : Texas Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Texas Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series):

0 of 0 people found the following review helpful. Five StarsBy JWGood Read2 of 2 people found the following review helpful. buy it and driveBy A CustomerThis is a simple book. You buy it, put it in the glove compartment and drive around Texas. When you get to a town, get out the book and read. simple.An encyclopedia of Texas strangeness. It will go down in history!!2 of 3 people found the following review helpful. great info on texas wondersBy A CustomerTexas curiosities and Roadside oddities is a great book if you want to go all over texas and stay right at home. Whether you are country folk or big city people you'll love to read this deep hearted texas book

This curious guide to Texas explores people with odd amazing talents, wacky facts, fantastic phenomena. This book is great for laughs with the kids or to raise eyebrows.

From Library JournalKelso, a columnist for the Austin American-Statesman, has toured the great state of Texas, discovering its many oddities. The several hundred descriptive entries, many accompanied by photographs, range from the world's smallest skyscraper (in Wichita Falls) to the Jacksonville Tomatofest to Paisano Pete, the world's largest roadrunner (in Fort Stockton). Items are grouped by rough geographical region. Not all the oddities of Austin are listed together, nor are all the attractions along a particular highway listed in the order in which a tourist would encounter them. This makes the book more useful as a celebration of Texas culture than as a tour guide. Recommended for specialized collections, particularly those with an interest in Texas.-Gwen Gregory, New Mexico State Univ. Lib., Las Cruces Copyright 2000 Reed Business Information, Inc. "Texas Curiosities is proof that the Lone Star State is a mother lode of goofy stuff. Kelso shines as a guide to the weirdly wonderful." --Kimberly Brown, Travel Editor, .com
