Insight Guides : Texas (Insight Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas (Insight Guides):

6 of 6 people found the following review helpful. Visually colorful, balanced and well written By Dr. Kenneth T. Bastin MDI purchased this book prior to planning and completing a driving trip thru Texas. I found the book helpful in prioritizing where to go based on what my family would like to see and do. Everything in San Antonio, Sonora and Big Bend National Park was right on the money! I also appreciate the photos that embellish the well written text. The

\$16 I spent on this book was returned in time and money and represented a real value when the typical total day's cost on a vacation easily exceeds \$200. I do recommend this book for any Texas trip. 0 of 0 people found the following review helpful. These are the best books for traveling. By Alissa M Caccioli These are the best books for traveling. I've used them all over the US and Over seas. They really get detailed on what to do and how to get there without missing anything along the way. I wouldn't travel across country without them! 0 of 0 people found the following review helpful. Texas Guide Book By Kindle Customer Having moved to Texas and interested in what's to see and visit in this great state, will keep in the car for trips.

One of over 400 titles in the Insight series, Insight Guide Texas. This 386-page book includes a section detailing Texas' history, 5 features covering the state's life and culture, ranging from its wide open skies to its cowboy heritage, a region by region visitor's guide to the sights, and a comprehensive Travel Tips section packed with essential contact addresses and numbers. Plus many excellent photographs and 19 maps.
