**June Naylor : Texas Off the Beaten Path, 5th: A Guide to Unique Places (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Off the Beaten Path, 5th: A Guide to Unique Places (Off the Beaten Path Series):

last year and keep it on the dash of my vehicle - to have handy while traveling. I found it contains details of local "hidden treasures" that are usually only discovered by the locals of the given community. I loaned it to a friend and now he is ordering his copy.regards,mikey kk5sc

From Sweetwater's annual Rattlesnake Roundup and Marfa's mysterious Ghost Lights to Moscow's Dinosaur Gardens and the Gulf Coast's whooping crane tours, Texas offers travelers a breadth of out-of-the-way attractions and events that liven up a week's vacation, a day trip, or an afternoon.

"Naylor introduces the uncommon, the bizarre, and the just plain fun." --Houston Chronicle (Praise for a previous edition)
