**June Naylor : Texas Off the Beaten Path, 6th (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Texas Off the Beaten Path, 6th (Off the Beaten Path Series):

0 of 0 people found the following review helpful. great book-purchased thru -Texas, off the beaten pathBy karen weirbook is what I hoped for, very interesting telling about cool places in the great state of Texas, that are way off the beaten path.,.was wonderful to learn about these places

From its Panhandle to its Gulf Coast, Texas is brimming with little-known attractions and small towns. Visit an Indian meeting site, where a 2,000-year-old live oak is the centerpiece, drive through the town of Marshall where four and a half million tiny white lights illuminate the town for the holidays, or ride off into the sunset from a dude ranch.

"[This] is a practical guide that is extremely user-friendly."--Times Record News
