Mary Jo Powell : Texas (On-The-Road Histories) before purchasing it in order to gage whether or not it would be

worth my time, and all praised Texas (On-The-Road Histories):

1 of 1 people found the following review helpful. One of the best concise histories of TexasBy AMDGJMJSO you're interested in the big picture of what makes Texas, Texas? Don't want to read an 800 page boat anchor? This book is well written and traces the unique history of "Tejas" under those six flags and the characters who made it what it is today. An excellent resource especially if you want to learn about the cowboy state while reading on the go within the space of a few days. I went to the library in San Antonio to pick up a concise history book on Texas and found a few. This one was the best of the lot. Definitely a keeper to read over and over again.0 of 0 people found the following review helpful. Really loved this book a lot of good Texas stories and ...By austexgrlReally loved this book a lot of good Texas stories and history. Packed full of little nuggets about Texas !!1 of 1 people found the following review helpful. History at its best.By Lois G. ShrouTThis is truly history at its best. The material is carefully researched, the incidents and cultural fabric are presented with some depth, and, best of all, it's well written. Get one if you love Texas history.

Powell's Texas begins with a panorama of the vast Texas landscape, from the piney woods to Big Bend country, before turning to the people of the land now called Texas.

About the AuthorMary Jo Powell is a fourth-generation Texan who lives in Austin, where she got a Ph.D. in history at the University of Texas.
