D Barton : The Singing Sleuth Returns before purchasing it in order to gage whether or not it would be worth my time, and all praised The Singing Sleuth Returns:

Although I have never been much of a "whodunit" reader, I thoroughly enjoyed this book, which I bought immediately after finishing the first book (gotta love Kindle's instantaneous gratification). Very much in the spirit of the classics (think Ms. Marple or Columbo), the characters are believable and entertaining, the plot is just complex

enough to be interesting without getting confusing, and the conclusion is most satisfactory. The location on a cruise ship just adds to the fun, especially for anyone who has been on a cruise. I have read all four in the series now, and cannot wait for the next one. 0 of 0 people found the following review helpful. Four Stars By CustomerFun read. 0 of 1 people found the following review helpful. Intriguing, interesting, captivating By Lynda McClendon The Singing Sleuth series has become one of my favorite mystery reads. The characters are easy to get to know and like or hate. The emphasis on Scotland and the Scottish way of life is an added bonus to the story.

It sounded like a good idea Offer passengers elite classes in diet, health, and exercise. Persuade world-renowned experts to teach the seminars. Book them on the Pegasus luxurious cruise ship sailing from Florida to Alaska. That was the thought of Collin Woodward, the Vice President of Flagship Cruise Line, when he invited aboard: Clifford Freeman, the mesmerizing hypnoterapist; Kenna Chavasse, the seductive light-food chef; Jean Claude Regale, the mysterious Olympic star; Rita Diamond, the free-spirited diet expert; Dr. Marco Renato, the erudite psychiatrist; and Deidre Lovejoy, the hot-tempered TV talk-show hostess, and Woodward's fourth wife. The timing of this cruise couldn't have been better for Alec Dunbarton, The Singing Sleuth. After serving three months on the Pegasus, he had managed to gain thirty-five pounds by eating six fattening meals a day, drinking double Scotches, and avoiding all exercise. Just as Alec finds a weight-loss plan that seems promising, one of the guest speakers is killed in the ship's sauna. Although homicide is a nasty business, Alec is more certain that Losing Weight is Murder!
