Bruce Hopkins : The Smithsonian Guides to Natural America: Central Appalachia: West Virginia, Kentucky, Tennessee before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Smithsonian Guides to Natural America: Central Appalachia: West Virginia, Kentucky, Tennessee:

1 of 2 people found the following review helpful. finally found itBy joel r. kingneeded this to finish out the complete set of the Smithsonian books for my daughter. pictures and the age of the book are great.

One of the country's most heavily visited regions, home of Mammoth Cave National Park and the Great Smoky Mountains National Park, the Appalachians offer more than 180 sites of natural significance for their history, geology, or wildlife. This guide tells readers where to begin to look for bald eagles, peregrine falcons, underground waterfalls, and so much more. Over 172 color photos. 8 color maps.
