Great for BeginnersBy p/carterNice introduction8 of 8 people found the following review helpful. Great Little BookBy J. ZakThis a great book. I have purchased 5 copies over the past two years and given them to friends and students that are interested in snowshoeing. The author knows what she is talking about! You do not have to have a lot of previous experience to enjoy this book. I highly recommend this publication for beginner and intermediate level snowshoers.

Do snowshoes come in different sizes? What type of snowshoes are best for me? What kind of gear do I need for the backcountry? Claire Walter provides expert answers to a variety of common snowshoeing questions so people of every age and fitness level can start enjoying this easy, low-impact wintertime activity. Youll learn techniques for traversing slopes, tips for maneuvering in deep snow, basic safety precautions, and even trail etiquette. Walters passion and encouragement will inspire even beginners to explore the joys of snowshoeing.
