Edward Thomas : The South Country before purchasing it in order to gauge whether or not it would be worth my time, and all praised The South Country:

3 of 3 people found the following review helpful. For walkers and anyone who loved reading Aldo Leopold and J A Baker By Ruth Wright The poet who inspired Robert Frost's 'two roads diverged'-- astonishing, careful, and moving descriptions of Edward Thomas' tramps on the old pathways of southern England before World War I.

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

From the Publisher Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to

offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.
