John Hopkins : The Tangier Diaries (The I.B.Tauris Literary Guides for Travelers) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Tangier Diaries (The I.B.Tauris Literary Guides for Travelers):

1 of 1 people found the following review helpful. Timeless stories from Morocco of the 60's and 70's.By John P. de NeufvilleThis is a timeless narrative that is as fun to read today as when it was recorded, some 50-odd years ago. Especially recommended to current travellers to Morocco or Africa more generally. In those days the Moroccan

population was about 12mm, today 36mm. You can't go back, but you can share stories of the past as you observe the present. 0 of 0 people found the following review helpful. I really enjoyed this book. By Publius Having lived in Tangier in the late 1960's, I really enjoyed this book. Hopkins vividly captured the feeling of the time and all of the characters who inhabited a town that was truly magical in this period. He has an eye for detail that brings that time in that city to life. 0 of 0 people found the following review helpful. This book changed my life. By Customer This book is for people passionate about life, writing and travel. Beautiful, each page a time capsule for a world John Hopkins was blessed enough to find and capture.

Tangier in the 1960s and '70s was a fabled place. This edge city, the 'Interzone', became muse and escapist's dream for artists, writers, millionaires and socialites, who wrote, painted, partied and experienced life with an intensity and freedom that they never could back home. Into this louche and cosmopolitan world came John Hopkins, a young writer who became a part of the bohemian Tangier crowd with its core of Beats that included William Burroughs, Paul and Jane Bowles and Brion Gysin, as well as Tennessee Williams, Jean Genet, Yves Saint Laurent, Barbara Hutton and Malcolm Forbes. Those intoxicating decades - Tangier's 'Golden Years' - are long gone. Grand old houses that once sparkled with life are shuttered and dark and most of the eccentrics who once lived and loved in the city have died. But here, in the pages of John Hopkins' cult classic, all the decadence and flamboyance of those days is brought to life once more.

"It's a beautiful book and I am only sorry that it's not longer. I'd be exceedingly proud to have written it." - Paul Bowles
About the Author John Hopkins's novels include *Tangier*, *Buzzless Flies* and *All I Wanted Was Company* (Arcadia) His travel book, *The Tangier Diaries*, was published by Arcadia in 1998. He lives in Buscot, Oxfordshire.
