Excellent and Fascinating!By Gene PanasenkoThis is an excellent and fascinating report of the famous by now the Teddy Bear, Kirmayir.Put together by his "parent", renowned Psychologist and accomplished Photographer Dr. Jeff Shaw,the book takes you on a exciting trips from London to Grand Canyon, to Arizona and Las Vegas.Real great story and very nice pictures.A lot of fun indeed!Gene Panasenko

Kirmayir, a very cute 28 year old Teddy Bear, has had a very happy life. However, he had done very little traveling. This year, his "parent, " Dr. Jeffrey Shaw, took him to four different, interesting places and they had lots of fun! These places are London, Arizona, Las Vegas, and the Grand Canyon. These fun times are described in this book, complete with many beautiful photographs. Hope you enjoy reading about these trips.
