Richard Baxter Townshend : The tenderfoot in New Mexico, before purchasing it in order to gage whether or not it would be worth my time, and all praised The tenderfoot in New Mexico,:

0 of 0 people found the following review helpful. After leaving his Colorado ranch, Mr Townshend embarks on ...By roperdanAfter leaving his Colorado ranch, Mr Townshend embarks on a series of adventures through New Mexico in the 1870's. Whether miner or stock contractor, Mr. Townshend provides a hazy look at the people and pueblos through a cloud of "fine" writing and embellishment. When we meet Billy the Kid (who else?) at the end of the book..... Oh well, nuff said.0 of 0 people found the following review helpful. Great SequelBy J'nell L. PateThis book is a sequel to "A Tenderfoot in Colorado" and is by a very well educated and articulate Englishman who came to America to make his fortune (and perhaps just for adventure) in the 1870s American West. Very interesting reading. He even meets Billy the Kid.

The History of the American West Collection is a unique project that provides opportunities for researchers and new readers to easily access and explore works which have previously only been available on library shelves. The Collection brings to life pre-1923 titles focusing on a wide range of topics and experiences in US Western history. From the initial westward migration, to exploration and development of the American West to daily life in the West and intimate pictures of the people who inhabited it, this collection offers American West enthusiasts a new glimpse at some forgotten treasures of American culture. Encompassing genres such as poetry, fiction, nonfiction, tourist guides, biographies and drama, this collection provides a new window to the legend and realities of the American West.

About the Author Richard Baxter Townshend prowled the eastern Rockies and Upper Arkansas for five years before starting a cattle ranch near present-day Colorado Springs. When he recognized the oncoming threat of the homesteader to his way of life, he sold his land and returned to England, where he settled at Wadham College. There he spent his days playing golf and tennis, practicing his shooting, and fascinating his countrymen with the stories found in this volume.
