Tom B. Saunders IV : The Texas Cowboys: Cowboys of the Lone Star State - A Photographic Protrayal before purchasing it in order to gage whether or not it would be worth my time, and all praised The Texas Cowboys: Cowboys of the Lone Star State - A Photographic Protrayal:

1 of 1 people found the following review helpful. Another "goodie" for my collectionBy d.m.As a collector of western memorabilia this book will be an asset to my library. It depicts a vanishing sector of American history and serves as a reminder of a way of life which soon will be gone. The Texas Cowboys provides a host of reference material for the artist and is certainly a tribute to the cowboys featured in those beautiful photographs.0 of 0 people found the following review helpful. Happy HappyBy CustomerThis photo book was just like new. I'm very pleased.1 of 1 people found the following review helpful. IT DELIVERSBy BlackbullBy using a more narrow topic Stoecklein digs into his subject and brings out a masterpiece for art lovers and historians. The text is solid, too. I thoroughly enjoyed every page of this one.

The Texas Cowboys offers an intimate view of every region in Texas. Featuring twenty-three of the oldest, most prestigious ranches in America today. Tom B. Saunders IV, a fifth-generation Texas rancher, tells the story of his home state and its legends, collected over the years from family and friends. Complementing the photographs and text

are beautiful paintings and illustrations by the famous Texas artist, Bob Moline.
