bay area and the geographical features and traffic etc. this is a must for you. GPS won't provide as detailed and accurate graphical information as this compact book.0 of 0 people found the following review helpful. perfect transactionBy J. Marie MccAllisterEverything about this purchase was lovely... great price, delivered before scheduled date, and in great condition!thanks so much!1 of 2 people found the following review helpful. Not as good as we expectedBy InseadWe bought this atlas two months ago and we are planning to sell it. We found that a) areas on the edge of a page do not quite overlap and b) quite a few small roads are missing.
