The Thomas Guide 2007 Sacramento CountyBy CustomerThe Thomas Guide 2007 Sacramento County street guide including portions of Placer, El Dorado, and Yolo countiesVery user friendly even for those not handy with a map. You go to the street index in the back of the

book, look up your street, turn to the page indicated and then using the grid directions you go right to the street. Would recommend these guides to anyone that doesn't like to use maps. 0 of 0 people found the following review helpful. Still good, but not as good as previous. By KSAs always, the Thomas guide maps are Great, but this year it no longer includes the CD version. You can mail order the CD separately from Rand McNally...for an additional charge - my only disappointment.
