The authors suggestions helped us successfully plan a 10+ perfect trip - in selecting our hotels, restaurants and must see attractions. Our trip took us by car up the east side and back down the west side of the Hudson. It was wonderful to say the least and I dont feel we missed or left out anything. The Hudson River Valley is amazingly beautiful and full of historical wonderful places to visit. I would highly recommend using this book to plan your next trip - you wont be disappointed! 0 of 0 people found the following review helpful.
