Joe Bensen : The Traveler's Guide to the Pony Express Trail (Historic Trail Guide Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Traveler's Guide to the Pony Express Trail (Historic Trail Guide Series):

0 of 0 people found the following review helpful. Four Stars By JEHN Not a bad book. Wished it had more detail but overall a decent read. 0 of 0 people found the following review helpful. Good info but dated By Mark H.I was

concerned before I bought this book because it was written a while ago (1995). I am happy with the purchase because it is well written and will serve as a good starting reference material. Would have rated higher if information was more up to date and I did not have to do so much more research. 17 of 17 people found the following review helpful. A great guide! By crackerjackheart Bensen offers a wonderful guide to the Pony Express enthusiast. Paralleling the original trail and stations, the Guide gives an east-to-west account for finding the (Pony and non-Pony) sites, museums, and curiosities along the historical trail. Bensen has been particularly thorough in reporting where sites of interest are on private property. I found this book to have many helpful features including an accurate assessment of whether or not an obscure site was worth getting to, what types of vehicles--from all-terrain to RV's--are appropriate for particular stretches of the route, alternate routes for those pressed for time, and great Pony By-ways. This guide also includes interesting historical anecdotes inserted at appropriate intervals to the surrounding text. Highly recommended for anyone wanting to follow the trail of the Pony Express.

Follow the route between St Joseph Missouri and Sacramento California as you retrace the path of the brave riders
Information on attractions activities and visitor amenities along Z99 historic details

From the Back Cover The story of the Pony Express represents one of the most romantic chapters in the history of the American West. Explore the route between St. Joseph Missouri, and Sacramento, California, the easy way with this guide.
