Luther Linkhart : The Trinity Alps: A Hiking and Backpacking Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Trinity Alps: A Hiking and Backpacking Guide:

0 of 0 people found the following review helpful. Excellent conditionBy Teri HumphreyThe quality of this book exceeded my expectation. We had borrowed this book from a friend and that was the kind of quality I was thinking the puchased book would be. But no, it was many times better. Thank You!

"Discover the Trinity Alps, which form a rugged divide between the Salmon, Scott and Trinity River drainages in the northwest part of the California. The Trinity Alps are known for their rugged beauty, splendid waterfalls, and hundreds of small beautiful lakes.This book tells hikers how to get to the heart of the Trinity Alps in 32 trips, varying in length from 3 to over 50 miles. Includes 100 photographs and a large, 4-color, fold-out map of the region."
