The Ultimate Christmas Bucket List The Ultimate Christmas Bucket List book features, "The Most Wonderful Time of the Year." There are the foods, the gifts, the traditions, the clothes, the songs, the movies, the decorations, the candy, and the symbols from all over the world. And of course, what would Christmas be without Santa Claus? Old St. Nick and his elves, reindeers, and angels, celebrate filling the stockings, christmas tree decorating, and everything from Thanksgiving to New Years. This is part of the Bucket List series and would make a great gift for that person who loves Christmas or is a bah humbug. In the back of the book is the story of the Salvation Army and a blank Bucket List so your family can write their own celebration items. This book captures the traditions in different parts of the world that we might have forgotten. So, on a snowy evening, get a mug of egg nog, some Christmas cookies, curl up in front of a fireplace, and read what makes Christmas so unforgettable. It comes just once a year - enjoy it!
