This is a fun little book to help while away the time in line!By WulfstanThis is a fun little book to help while away the time in line and spice up your Walt Disney World vacation. It's full of fun little factoids and questions, which a sharp-eyed visitor (or a real Disney Trivia expert) can answer. Here are a couple: "In the standby queue for Pirates of the Caribbean, what Animal can be found on a coat of Arms?", "What is the name for the Holiday Overlay of the Jungle Cruise?" (easy!)"What Year was the Friars Nook established?" (hint, it's in roman numerals).And 120 more!Now, I prefer paper books, but this one might be best to get on your Kindle, so you can do it while in line.

Your Hands-on Guide to the MagicWalt Disney believed that the best way to educate was through entertainment or possibly a scavenger hunt. Learn the history of Walt Disney World's Magic Kingdom, unlock its mysteries, become the resident Disney guru, as you track down trivia in the most magical place on earth. Does a book need operating instructions? This one does. Don't read the book. If you do, it'll be the shortest book you've ever read. Use the book. Take it with you to Magic Kingdom. Each of the 120 trivia questions is its own quickie scavenger hunt. That's enough scavenger hunts for many trips to Magic Kingdom. The fun is in the hunt! Your quest will take you to every land in the park, aboard rides, in restaurants and shops, and all points in between. Just don't tell your friends. Next time you're in Magic Kingdom with them, and casually mention when the next horse auction on Main Street is scheduled, or the park hours that Disney considers "indecent", they'll think you're a VIP Tour Guide. **DON'T LET THE KINGDOM KEEP ITS SECRETS!**
