Lisa Banks : The Unauthorized Guide to Hong Kong Disneyland 2016 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unauthorized Guide to Hong Kong Disneyland 2016:

0 of 0 people found the following review helpful. Don't purchaseBy Tina MeesIt's a cheap rip off of another book on Hong Kong Disneyland the pictures are exact except black and white.0 of 0 people found the following review helpful. OBy Customerthe book was OK. HOWEVER, it is word for word exactly as "Liu Wen's Hong Kong Disneyland Family." down to the pictures. So you only need to by one of them.

You want a guidebook that tells you like it is - not one that tows the media line. The Unauthorized Guide to Hong Kong Disneyland 2016 tells you what's hot and not at Hong Kong Disneyland with brutal honesty. You'll learn not only how to save time in line (with touring conventions that go against traditional crowd flow), but what attractions are great and not-so-great for all age groups in your family. You'll learn the healthiest places to eat, how to make reservations well in advance, and how to use FastPass - Disney's line-skipping service - to save valuable time. Of course, you'll want the inside scoop on the newest adventures at Hong Kong Disneyland. You'll learn how to board the all-new Iron Man Experience and Mystic Manor with the shortest wait, how to meet your favorite Disney Princesses at Princess Pavilion without a lot of hassle, and get the real answers on what attractions are worth your time - and which ones just don't live up to the hype. Take The Unauthorized Guide to Hong Kong Disneyland 2016 on your next trip, and be prepared for information that's ... actually useful.
