From Manic D Press : The Underground Guide to San Francisco before purchasing it in order to gage whether or not it would be worth my time, and all praised The Underground Guide to San Francisco:

11 of 11 people found the following review helpful. Pocket-sized, fun!
By A Customer
This guidebook is a wonderful resource if you're just visiting or planing to stay awhile. Each section is written by a different person, with different interests and perspectives (bars, thrift stores, piercing, poetry readings, bookstores, etc.) It also has useful sections on Oakland and Berkeley. If you're thinking of moving to the "Bay Area", there are handy guides to housing and employment. It's a great book, and worth every penny!
