Melissa DeVaughn : The Unofficial Guide to Adventure Travel in Alaska (Unofficial Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Adventure Travel in Alaska (Unofficial Guides):

5 of 5 people found the following review helpful. Great for the Wilderness AdventurerBy A CustomerI bought this

book for my husband who is up in Alaska working for the summer. I really had a hard time finding a book that had more information on Alaska than just where to get the best crab legs along cruise routes. My husband would be doing less tourist-ing and more adventuring during his time in Alaska. He was thrilled with all the information at the front of the book that gave Alaska-specific tips about safety, supplies, and "what to expect." This book is perfect for you if you are looking for information about hiking, climbing, camping, and rafting/kayaking trips and only the occasional paragraph about in-town accommodation and great dinner spots. The beginning of the book is organized by activity rather than by region, but you can also look up info about specific regions too. 0 of 0 people found the following review helpful. Nice guide for active adventures. Organized by type of activity. By Uphill Harry We are planning a trip to Alaska and had a few guide books from the Library. They were all fine, but I found that this guide was much more focused on outdoor adventure types of activities. It just had more detail on kayaking, hiking, camping and other activities like that than the other guides. That was valuable for us. One interesting note is that it organizes the book by each type of activity, where other guides tend to organize by geographic region. You may or may not like this. We found that we first wanted to find the great things we wanted to do and let that help us decide which part of the humungous state to visit. So it worked well for us. It was published in 2008 I think, but as of Dec. 2012 everything I looked at was still accurate after following up with web research. 1 of 1 people found the following review helpful. bad book By Olga Mirkina I honestly don't understand how anyone could like this. Book has terrible descriptions, no pictures or maps, basically missing all the information you would need to pick or support your adventure.

Chicago Sun-Times "Indispensable" The New York Times Four Great Features and Benefits offered ONLY by The Unofficial Guide: Lodging and dining rated for quality and value Great ideas for family travel An insider's guide to the top outfitters for every activity Complete planning information for escorted tours or travel on your own About the Author MELISSA DEVAUGHN is on the Outdoors staff at the Anchorage Daily News, Alaska's largest daily newspaper, and has been covering outdoors-related topics for newspapers and magazines since 1990. She has also worked at the Roanoke Times in Virginia; the Peninsula Clarion, on Alaska's Kenai Peninsula; and The Associated Press in Anchorage. Her work has also appeared in Alaska, Backpacker, Canoe Kayak, and Womens Sports Fitness magazines, among other publications. She hiked the Appalachian Trail in 1993 before moving to Alaska, and she continues to enjoy backpacking throughout the state. In addition, she enjoys mountain- and road-biking in the summer and in the winter spends her time dog-mushing with her team of Alaskan huskies. She lives in Chugiak, Alaska, with her husband, Andy Hall; a 7-year-old daughter, Reilly; a 10-year-old son, Roan; 11 dogs; and 1 cat.
