Eve Zibart, Bob Sehlinger : The Unofficial Guide to Branson, Missouri (Unofficial Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Branson, Missouri (Unofficial Guides):

23 of 23 people found the following review helpful. One of the best travel books!By A CustomerThis book was extremely helpful for our family trip to Branson. The information is excellent and surprisingly on-the-dot correct. We

stayed in this great bed breakfast that was highly recommended and could not have had a better stay. The information on picking shows and times to attempt driving through town made everything so much easier than we could have imagined. Anyone traveling to Branson should definitely get this book and plan for a wonderful time! You will love it!
