Bob Sehlinger : The Unofficial Guide to Disneyland 2007 (Unofficial Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unofficial Guide to Disneyland 2007 (Unofficial Guides):

11 of 11 people found the following review helpful. You MUST use this book, it was wonderful!By mommymarlyWe were just at Disneyland two weekends ago (spring break for some folks), and spent two days (Fri Sat) at Disneyland

and one day (Sun) at Disney California, this book was FANTASTIC! I read this on our two-day drive down to Anaheim and mapped out our days using the plans available in the book and the program guide I got off Disney's website for the days we would be there... truly we hardly waited in line at all and rode everything we wanted to and saw TONS of shows. We also had so much "extra" time we were able to do some of our favorites (Soarin' and Star Tours for example) twice. We only opted to get FAST PASSES twice (the book explains it, thankfully) because we didn't really need to use them much as we were so easily getting on everything we wanted to go on. Best tip... Get to the park EARLY (hardly anyone did this, it is a crazy fact!) and follow one of the plans, really you don't need to be a drill sergeant about it or anything! We simply lead our family through the parks in the recommended order and had three extremely fun, stress free days! We spent far more time in line for food than for rides or shows. We also stayed across the street from Disneyland at one of the hotels listed in the book, which made it REALLY easy to leave and come back so I must also recommend spending the extra money if you can, it sure was nice for us (Our kids are 8 and 6, fyi.) This book made Disney fun for all of us and hardly ANY fighting or breakdowns, and our 8 yr old has autism... We simply walked around the parks w/little halos over our heads having fun.

2 of 2 people found the following review helpful. Good, but somewhat disappointing
By W. Macindoe
The book is very useful, but after having read the Unofficial Guide to Walt Disney World by the same author, I was disappointed in this book. It lacked a lot of the information that I found most useful in the Disney World book, crowd calendar, best rooms in each hotel, hotel room floor plans, and ratio of kids to characters at the various character meals. I sure do hope the next edition adds this information to bring it up to the extraordinary level of the Unofficial Guide to Walt Disney World, which I highly recommend.

1 of 1 people found the following review helpful. Don't leave home without it
By Daniel Flammang
This is our second time using one of his books, and we'll never go another time without a current issue. The book is filled with all that you will need to make the best of your visit. We saved a lot of time and money, and we were able to take several trips on the rides we liked, without standing in line more than 20 or 30 minutes. Featuring a primer on the area, its amenities, and the theme parks, this book is a must-have for anyone visiting Southern California.

From the publishers of The Unofficial Guide to Walt Disney World "A Tourist's Best Friend!" Chicago Sun-Times "Indispensable" The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide: Every attraction ranked and rated for each age group, based on interviews and surveys of more than 7,500 families When and where to go: the best times of the year and the best days of the week for each park All the Disneyland-area hotels ranked and rated for value and quality of rooms Field tested itineraries for adults and families with children that can save more than three hours of waiting in line Complete coverage of Disney's California Adventure theme park and Universal Studios Hollywood Sample Rating Soarin' Appeal by age Preschool Grade school Teens Young adults Over 30 Seniors What it is Flight simulation ride.
