I haven't been for the last few years due to a back surgery but am now planning a trip. I wanted to get some info that was up to date on places to stay, etc... There

have been many changes in the last 6 years so I just wanted updated info. There were a couple of tips on places to stay that I found very helpful right off the bat. For someone who has never been or hasn't been in many years, I think this up to date info is well worth the purchase price. 0 of 0 people found the following review helpful. We're goin' to Disneyland!!!!!!!By AnonymousWe have been to both Disneys probably 5 or 6 times, and would not go without this invaluable book. It has been a godsend in planning out our days, picking places to eat, etc. I'm a "planner", so I would not be comfortable just showing up with no preparation. There are so many hints in this book that you would never know if you just stuck to the mainstream guides. It includes Universal also. I can't wait to sit down on my next day off and begin making plans. I usually end up just tearing pages out to bring with us each day. I highly recommend this book to anyone making a trip to Disneyland. There is one for Disney World, also, and a new one is published each year. 1 of 1 people found the following review helpful. Lots of tips :)By Bobbie J. So far its been great in helping our planning. We are still reading it and taking lots of notes. We have made a few simple purchases that were recommended, like Blister bandages and some small gifts that I found on sale. It really helped make a decision on overnight accomodations. Now all we have to do is put everything we have learned to the test. We don't leave for another three months, so we will read and plan more.

A great destination and thorough preparation are what make a wonderful vacation, and The Unofficial Guide to Disneyland makes Disneyland one of the most accessible theme parks in the world. With advice that is direct, prescriptive, and detailed, it takes the guesswork out of the reader's vacation. Whether you are at Disneyland for a day or a week, there is a plan for your group or family. You can enjoy the rides, activities, and entertainment instead of spending your time in lines. The Unofficial Guide to Disneyland authors Bob Sehlinger, Seth Kubersky, Len Testa, and Guy Selga, Jr. present the information in a comprehensive way that permits easy comparisons and facilitates decision making. There are detailed plans and profiles of hotels, restaurants, and attractions that are presented in "at-a-glance" formats that provide for near instant communication of the most salient information. Profiles are supplemented by indexes. In short, we've got a plan for every reader. The Unofficial Guide to Disneyland's research team is a multi-disciplinary group consisting, among others, of data collectors, computer scientists, statisticians, and psychologists. Their singular goal is to provide a guide that will let you get it right the first time and every time. With their help, advice,

"If you're looking for a reliable guidebook, the leader is the Unofficial series."--The Mail (London)"A Tourist's Best Friend!"--Chicago Sun-Times"Indispensable"--The New York Times
