Eve Zibart, Muriel Stevens, Terrell Vermont : The Unofficial Guide to Ethnic Cuisine and Dining in America before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Unofficial Guide to Ethnic Cuisine and Dining in America:

0 of 0 people found the following review helpful. Great familiarization trip through the world's cuisine!By A

CustomerI get hungry whenever I refer to this wonderful book! The writing is lively and full of interesting facts, and the descriptions help to differentiate between related cuisines. If you are a picky eater you'll be able to tell what kind of food appeals to you just by reading about typical ingredients, cooking styles and nutritional trends. Simple recipes are included, excellent for someone who is first trying to cook an ethnic cuisine at home. A "How to Eat" section advises on customs and protocol, but as the authors say, if chopsticks aren't for you you can always ask for a fork! Use this book to prepare before you try a new kind of restaurant and you'll be familiar with the menu terms and be able to order with ease!

This guide to ethnic cuisine and dining in America covers everything from hamburger joints to haute cuisine. Each establishment is rated on ambience, service, value and quality.
