Eve Zibart : The Unofficial Guide to Walt Disney World for Grown-Ups (Unofficial Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Unofficial Guide to Walt Disney World for Grown-Ups (Unofficial Guides)*:

1 of 1 people found the following review helpful. *Grown-Ups Guide*By jallenThis guidebook for WDW isn't really anything special. I would recommend maybe just going with their original WDW guide and skipping this one. I purchased it as I was going to WDW with just my significant other and I wanted a book that wasn't so kid-oriented (as so many of the guidebooks really are). This book didn't have much I didn't read about anywhere else. There was some info that was good for adults, but not much. It also seemed pointed towards older adults rather than 20 somethings, which is what we were. I'm sure people would say to read the *Honeymooner's* guide instead, but we weren't honeymooning, so it didn't seem applicable. This guide was also fairly outdated. If it had a modernized addition I may purchase it again.

1 of 1 people found the following review helpful. *Good Guide for Walt Disney Properties*By Ashleigh DanaThis book is really interesting. She gives you a great website for discounted items and line wait times. She also talks about the cool places to eat and how expensive the restaurants are and compares and contrasts hotel prices and what they offer. So it's great if you are staying on property! I did not stay on property, so this book was not very helpful in that area, but still gave me helpful tips on what to do besides go to the Disney parks.

1 of 1 people found the following review helpful. *Just buy the standard Unofficial Guide*By LK144This book is not really worth buying. I hadn't been to Disney World in many years, and was planning my first trip as an adult (with my friends) and thought that this book would be useful as a supplement to the standard *Unofficial Guide*. If you just buy this guide for Adults, it is missing a lot of the robust information that is in the *Unofficial Guide*, so you don't get a lot of the advice and detail that you get in the standard book. Instead, this basically just has summaries of what is in the standard guide -- it doesn't even have any new, unique information. This was a waste of money.

The *Unofficial Guides* are the "Consumer Reports" of travel guides, offering candid evaluations of their destinations' attractions, hotels, restaurants, shopping, nightlife, sports, and more, all rated and ranked by a team of unbiased inspectors so even the most compulsive planners can be sure they're spending their time and money wisely. Each guide addresses the needs of everyone from families to business travelers, with handy charts that demonstrate how each place stacks up against the competition. Plus, all the details are pulled out so they're extremely easy to scan. Not everyone visiting Mickey has children in tow! Disney also markets directly to an adult audience--in fact, Disney World is the nation's #1 honeymoon destination. This handy new pocket-sized guide pulls together all the attractions, shows, and resorts that have the most appeal to the over-21 crowd, and also includes info on golf and tennis, nightlife, and sophisticated dining choices. **The Top 5 Ways The Unofficial Guide to Walt Disney World for Grown-Ups Can Help You Have the Perfect Trip:** Practical tips on how to plan knockout weddings, honeymoons, and anniversaries in Disney World Complete information on when to go, and how to beat the crowds Insider advice on Disney's exciting nightlife: Where to pop the question, dance all night, and find the best microbrews. The lowdown on the best shops and souvenirs to take home, so you can spend more time having fun The straight story on Disney's golf and tennis facilities--where to climb a rock wall and ride a water slide at 60 mph, too.
