Jim's books have always strove to just research the facts and report the truth, and the truth is unsurprisingly 99% pro-Walt with very little negative to really say about the man. The writing style here is well structured and moves along quickly, each segment being broken into easy-to-read bits. Jim's research is taken either from direct interviews with the people involved or from archives making it the single most factual and truthful books out there. If you hate Walt and are sharpening your teeth in the hopes of learning some dirty secrets that support the rumors you've heard, you may be disappointed to find out what a warm and genuine man he was. Nonetheless when it comes time to admit there were some grumpy moments in Walt's life, you'll find the truth isn't biased and neither are Jim's books. Out of the dozens of Disney biographies and auto-biographies that I've read, there are no finer Disney books than those written by Jim Korkis. The fact that so many people close to Walt would agree to speak to Jim about these moments in time speaks volumes of the author's character. A must-read.

By John W. Carpenter, IIII have read four of Jim Korkis' books and have enjoyed all of them, including this one. His books are well-researched, and include interesting stories. I can't wait to read the rest of his "Vault" series.

By C SpencerGreat behind-the-scenes stories told by a great story teller. For big Disney fans who think they know the whole story, Jim is here to tell you all that you were missing. His love of Disney comes through, but it isn't sugar-coated or watered down.

Disney History at Its Best
No one knows Disney history, or tells it better, than Jim Korkis, and he's back with a new set of 28 stories from his Vault of Walt. Whether it's Disney films, Disney theme parks, or Walt himself, Jim's stories will charm and delight Disney fans of all ages. The best-selling Vault of Walt series has brought serious, but fun, Disney history to tens of thousands of readers. Now in its second volume, the series features former Disney cast member and master storyteller Jim Korkis home-spun, entertaining tales, from the early years of Walt Disney to the present.

Step inside the vault with Jim to hear about:
A ride through Epcot's Spaceship Earth for a closer look at graffiti, bare breasts, and evil twins
The bare-knuckles battle between Walt Disney and P.L. Travers over Mary Poppins
The real story of the Jungle Cruise, why Walt's plan for live animals was shot down, and how Walt once got cheated by an impatient skipper
The life-long hatred between Walt and Bugs Bunny creator Friz Freleng caused by a boil on Freleng's butt
How Roy O. Disney took over a demoralized company after his brother's death and built a fantasyland from swampland
Discover these and many other new tales of Disney history, as only Jim Korkis can tell them, in *The Vault of Walt: Volume 2*. Then be sure to check ALL the volumes in *The Vault of Walt*!
