works of the Walt Disney Company but especially the early creative works of Walt Disney and his associates. It gets harder each year to read honest, factual information on Walt and his associates due to all the untrue rumors and "research" that is only a rehash of someone's previous incorrect "research". That is why I much look forward to every Disney book that is written by Jim Korkis. I own every volume of the series "The Vault of Walt" and it feels like Christmas every time I see a new volume offered for sale. His table of contents of this book is self-explanatory ... Jim continues to cover Disney historical information that I didn't even realize would be interesting to know. Once again, this book is a winner, full of well-researched and interesting stories about Walt Disney, the films, the theme parks, and other enjoyable stories. Anyone who enjoys reliable, entertaining information on Walt and his creative work and associates will be glad to have this book. Thanks, Jim - may there be many more volumes in the future!

By John W. Carpenter, III
The Vault series by Jim Korkis has proven to be very addictive. The stories are very interesting and I particularly appreciate how Korkis provides so much information about the people behind the characters, attractions, and movies of the Walt Disney Company. I can't wait to read Volume 5.

Disney History at Its Best
No one knows Disney history, or tells it better, than Jim Korkis, and he's back with a new set of 20 stories from his Vault of Walt. Whether it's Disney films, Disney theme parks, or Walt himself, Jim's stories will charm and delight Disney fans of all ages. The best-selling Vault of Walt series has brought serious, but fun, Disney history to tens of thousands of readers. Now in its fourth volume, the series features former Disney cast member and master storyteller Jim Korkis' home-spun, entertaining tales, from the early years of Walt Disney to the present. Step inside the vault with Jim to hear about: Walt Disney's Hollywood homes and his Hollywood studios and hangouts, too. The influence of a dinosaur named Gertie and a rabbit named Oswald on the evolution of the Disney Company. Why you won't find Roger Rabbit in the Disney theme parks. The original storyline for the Haunted Mansion and why it's nothing like what's there today. Why even the best of intentions couldn't save the Fort Wilderness Railroad. Discover these and many other new tales of Disney history, as only Jim Korkis can tell them, in *The Vault of Walt: Volume 4*. Then be sure to check ALL the volumes in *The Vault of Walt*!
