Tom Zalaski : The View From The Blanket: Weekapaug before purchasing it in order to gage whether or not it would be worth my time, and all praised The View From The Blanket: Weekapaug:

1 of 1 people found the following review helpful. Vacation Memories of Weekapaug is a fun, reflective readBy CryLakEl"The View From The Blanket" is a great read - especially from a sand chair, or blanket spread out on a sandy beach. For those familiar with the Weekapaug area, the book will bring back a flood of wonderful memories from a time far less complicated. For those unfamiliar with this gem in Rhode Island, well, the book touches upon similar experiences found in all family vacations - everyone can relate to something in the book. A copy of "The View" should be in the top dresser drawer of every vacation rental cottage and cabin!1 of 1 people found the following

review helpful. Five StarsBy CustomerWonderful book that brought back so many great memories!2 of 3 people found the following review helpful. Fun look at Westerly beach areaBy RIbeach babyMy parents started going to the Westerly RI beaches in the 1930's. Being a child of the 1950's like the author, my first trip to Weekapaug was when i was 8 mos. old. Been there every year since. They bought a 4 rm cottage in Weekapaug in 1970 and we all still enjoy it! This book is an enjoyable look at the area. Yes, hopefully everyone has their own "Weekapaug"! i'm blessed to have the real thing! Like a series of short stories connected by one thread, we [my husband and i] very much enjoyed this book! Great year round reading, not just beach blanket!

If you own a cottage or have ever rented one at the ocean, the lake, a river or a resort get ready to relive those times each time you open *The View From The Blanket*. Tom Zalaski's book is mid-winter therapy that takes you back to that walk on the beach, the musty, yet so comfortable cottage couches, the dining out, the carefree coffee-and-newspaper mornings while always reminding you of that different person you become when you are there. Add in a shark attack, a cottage that disappeared and even a murder and Weekapaug will become your summer read that gets you through the rest of the year!

About the AuthorTom Zalaski is a television news anchorman, speaker, professional emcee and author. During his nearly 40 years in television news he has reported from the center of major events from national political conventions to the Super Bowl. He has spent more than 60 summers in this place called Weekapaug
