Tom Griffiths : The Virgin Student Traveller's Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Virgin Student Traveller's Handbook:

Seriously it is THE best book you can get before you go travelling or off on your gap year. I got it about 10 years ago before I went on my Gap Year and read it cover to cover. It is full of useful information and written in a

great easy to understand style. You will not be disappointed.

Covers issues involved in travelling, employers' and universities' views of gap years, and work opportunities abroad. The remainder of the guide is a directory of the top 50 destination countries, advising on currencies, religions, embassy addresses and more, with tips from previous visitors.
