**Sonia Hillsdon : The Visitor's Guide to Jersey** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Visitor's Guide to Jersey:

Sixth edition of this indispensable guide to Jersey written by Sonia Hillsdon, who has extensive knowledge of the island, having lived there for many years. This colourful and attractive guide book will help you make the most of a visit to the beautiful island of Jersey with its unique blend of British French culture - an island large enough to give you lots to explore but small enough to provide a warm welcome.

"If you've never used a Landmark Visitors Guide, you're in for a treat. These useful guides give more than a gazetteer-style list of things to see and do. They give background information on an area and its sights. The beautiful colour photographs add interest to the guide and give a taste of what's to come.... Full colour maps in each section show the attractions and the recommended driving routes. With a Landmark Visitors Guide in hand, you don't need to plan your trip. An expert has done it all for you."
