National Geographic Society : The Washington D.C. (National Geographic Traveler Washington, D.C.) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Washington D.C. (National Geographic Traveler Washington, D.C.):

2 of 2 people found the following review helpful. Great BookBy JohnnyI think these Nat Geo books are the best. Not for hotels or restaurants, but outstanding for deiscovering sights that appeal to you with their fantastic photos of each place they review.

This guide to Washington D.C. highlights places of interest, walks and drives in the surrounding areas, a "More Places to Visit" section detailing places off the beaten track, a directory of hotels, restaurants, shops and entertainment listings, opening times and useful telephone numbers. It also includes cut-away illustrations of important buildings and descriptions of major cultural, architectural and historical sites.
