Alison Raju : The Way of St James Vol 1 (France): Le Puy to the Pyrenees (Cicerone Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Way of St James Vol 1 (France): Le Puy to the Pyrenees (Cicerone Guides):

0 of 0 people found the following review helpful. Some What Out Of Date, But Options LimitedBy R KingVery helpful but a few years out of date. Easy to read and understand. I am using this volume as a reference possibly walking on the GR 65/Le Puy, France route to St Jean. If I start my Camino at Le Puy, I will be in a better position to

offer an opinion.0 of 0 people found the following review helpful. A workable guide for chemin de st Jaques in France.By CustomerThis book takes you through the walk step by step, but it lacks decent maps, a serious flaw. The electronic version, which is the only one to use when you're actually on the trail, is not easy to scroll through. Bottom line - a useful guide, but it's easy to imagine a far better one.0 of 0 people found the following review helpful. Good guide to the Via Podensis section of the Way of St. JamesBy G GardinerThis is a good guide in English to the portion of the Chemin I am going to walk: background info, sights to see, lodgings, hours when sights are open, maps of portions of the route, precise directions, logistical advice. I am supplementing it with the French-language Miam Miam Dodo for more detailed info on lodgings and food, and the Michelin guide for maps showing elevation changes.

A comprehensive guide to walking the 740km Way of St James Pilgrim Road from Le Puy-en-Velay in central France to Saint-Jean-Pied-de-Port in the Pyrenees. This is the first volume of the only guide to the whole route written in English. Completely rewalked and updated in time for the next Holy Year in 2010. A companion volume, The Way of St James (Pyrenees-Santiago-Finisterre), continues the route through Spain from the Pyrenees to Santiago de Compostella (or Finisterre). As well as giving step by step directions the book also provides information on places to visit along the way, the history of the pilgrimage and details of the facilities such as shops, bars, restaurants and accommodation. An outline of the route along the C?l? valley (53km) is also included and, new to this second edition, route descriptions from Saint-Jean-Pied-de-Port to Pamplona and also St Palais to Ir?n to join the Camino del Norteand. Unlike existing guides (in any language), a comprehensive listing of St James and other pilgrim references along the way is provided.

About the AuthorAlison Raju is a former language teacher and author of three other Cicerone guides to pilgrim routes: 'Way of St James: Pyrenees - Santiago', 'Via de la Plata' and 'The Pilgrim Road to Nidaros: Oslo - Trondheim'.
