Samuel Cumings : The western pilot before purchasing it in order to gage whether or not it would be worth my time, and all praised The western pilot:

The western pilot containing charts of the Ohio River and of the Mississippi, from the mouth of the Missouri to the Gulf of Mexico accompanied with directions for navigating the same, and a gazetteer. This book, "The western pilot", by Samuel Cumings, is a replication of a book originally published before 1845. It has been restored by human beings,

page by page, so that you may enjoy it in a form as close to the original as possible.
