Wayne M. Masterman : The Whole Hub Catalogue Bicentennial Edition (Boston and Cambridge) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Whole Hub Catalogue Bicentennial Edition (Boston and Cambridge):

A take-off on the Whole Earth Catalog put out by Boston University students. Includes lots of 1970s ads for restaurants, stores and places no longer there. A perfect postcard of the 1975 era of Boston.
