Transported to the wilds of our beautiful earthBy LoisShe is so eloquent and full of appreciation that it is hard to believe so much of the world was wrapped up in one man's head and heart . I am so impressed by how tough he is in

surviving during the most stressful circumstances when it would be near impossible for most of us . He is inspirational.

Here is an entertaining collection of John Muir's most exciting adventures, representing some of his finest writing. From the famous avalanche ride off the rim of Yosemite Valley to his night spent weathering a windstorm at the top of a tree to death-defying falls on Alaskan glaciers, the renowned outdoorsman's exploits are related in passages that are by turns exhilarating, unnerving, dizzying, and outrageous.

About the Author Lee Stetson portrays America's foremost conservationist John Muir. His productions have been presented in Yosemite National Park since 1983 to more than a quarter of a million visitors. Stetson has also produced three audio CDs as John Muir, in addition to collecting Muir's adventures in print.
