PiranhaConfirms that creepy feeling you got in that spot. Other adventures abound and if you are stuck in Wisconsin, why not explore "the dark side" more? Major DisappointmentBy Barkley PontreeI've heard Chad on C2C many times and it was always so interesting, I finally bought a couple of his books and could not believe the disappointment. Seemed like almost every place he visits, he gives this history, and then.... nothing happens. Boring.0 of 0 people found the following review helpful. Five StarsBy pam kruegerQuality! Service!
