FUN READ BY A CAST MEMBER WITH A HEART!By The Boxing GuruA great read for anyone interested in the position of "Disney Cast Member". A series of short stories that show the author's heart throughout. Touching stories, an easy read. I zipped right through this book and enjoyed every page. I didn't want it to end. I'm looking forward to more from Mr. Conness.

Thy Pixie Dust Runneth OverLong-time cast member Gary Conness collected many "snapshots" from his years working at the Magic Kingdom, Epcot, and even the company's reservation center. Each snapshot is a short, uplifting story to remind us that the real magic of Walt Disney World is its people.In his eclectic Disney World career, Gary has planned vacations, trained cast members at Innoventions, and run some of the park's finest restaurants. Wherever he went, and whatever he did, he always found the often elusive Disney magic. His short, potluck stories are a celebration of the best that Disney has to offer, with no snark, no negativity, and no bitterness.For Gary, the wonderful world of Disney really was wonderful, and you'll think so too as you read his stories about:Managing restaurants throughout Disney World, from Le Cellier to the Flying FishWorking at Innoventions as a "technologist"Earning Disney's prestigious Partners in Excellence Award...with Barbara BushSneaking Bob Iger out of his bedroom and into the Flying FishCelebrity interactions ranging from Hugh Hefner to Robin Williams to Justin TimberlakeAND DOZENS MORE TO RENEW YOUR FAITH IN DISNEY!
