Lawson Wood : The World's Best Tropical Dive Destinations: Asia-Pacific, Caribbean. Indian Ocean the Red Sea before purchasing it in order to gauge whether or not it would be worth my time, and all praised The World's Best Tropical Dive Destinations: Asia-Pacific, Caribbean. Indian Ocean the Red Sea:

1 of 1 people found the following review helpful. Reasonable coverage of the best tropical dive sites By Kobus Malan I waited more than two months for this book and I am very pleased with it, although some excellent dive sites like Komodo in Indonesia are omitted. But I guess a book like this has its limitations in terms of coverage. Excellent photographs !0 of 0 people found the following review helpful. Great Gift By PRCE exactly what I wanted for a gift...made really well for years of searching for that Perfect dive!0 of 0 people found the following review helpful. Five Stars By Jiun-Ting Yeh This is a good and beautiful book for diving guide,

This magnificent and comprehensively illustrated reference to the world's most exotic dive destinations covers the Caribbean (Bahamas, Mexico, Cuba, Cayman Islands, Virgin Islands, Belize, Honduras, Aruba, Bonaire, Curacao, Tobago, St. Lucia and Dominica), Bermuda, the Red Sea (Egypt and Sudan), the Indian Ocean (Oman, Maldives, Seychelles, Mozambique, and western Australia), the Indo-Pacific (Thailand, Malaysia, and Indonesia), and the Pacific Ocean (the Philippines, Micronesia, Melanesia, Papua New Guinea, French Polynesia, and Australia's Great Barrier Reef). Superb underwater photography shows a huge variety of wrecks, marine habitats, and aquatic species. The descriptions the type of dive to be experienced as well as what you can expect to see underwater. Each dive site featured can be located via a detailed regional site map, and a travel advisory is also included.

About the Author Lawson Wood has been fortunate to make his passion his career, and has authored and co-authored over 45 books, mainly about the underwater world. He is a founding member of the Marine Conservation Society, and made history by becoming the first person to be a member of the Royal Photographic Society and Fellow of the British Institute of Professional Photographers solely for underwater photography.
