Mary Travelbest : The world's first guide to independent travel before purchasing it in order to gauge whether or not it would be worth my time, and all praised The world's first guide to independent travel:

0 of 0 people found the following review helpful. a must have for all the travelers out there By M. Tiao I don't understand why doesn't carry this book because it is an amazing book. I have seen a lot of countries in the world but

never traveled alone. This book inspires me to do so and will be my guide if I finally decide to travel around the world independently. Mary shares her knowledge in 11 chapters and 99 pages. It was a page turner and I really liked the book. If you are planning to make a world trip or backpack trip just buy this book, read it and take it with you. -Melvin2 of 2 people found the following review helpful. Independent travelers - this is the book for you. By S. Holloway Great tips in this book for the independent traveler. The book is organized in such a way that the tips are easy to find, timeless and relevant. The author peppers the rich book with clever stories and experiences that will touch your heart and make you smile. Don't take my word for it - Chuck Yeager endorsed it... so it must be good! I can't wait for Dr. Mary's next book about traveling with children. Many of us need a few tips in that department!!! 0 of 0 people found the following review helpful. Just do it By F. Blazquez Great Book, Easy to read and understand, makes you feel like traveling, doing it by yourself changes the perspective of the trip, the adventure of being alone, the excitement of meeting new people and also the small tactics to use, that you can learn from the multiple and good advices that the book has gathered. Just do it, read, get a ticket, and be the next one in writing your adventures in a book.

Paperback book.
