Federal Writer's Project : The WPA Guide to The Minnesota Arrowhead Country: The Federal Writers' Project Guide to 1930s Minnesota before purchasing it in order to gage whether or not it would be worth my time, and all praised The WPA Guide to The Minnesota Arrowhead Country: The Federal Writers' Project Guide to 1930s Minnesota:

2 of 2 people found the following review helpful. The North Shore Minnesota By Donald A. Selander We saw the book advertised on our local PBS station but not for sale there. Purchased from Amazon and my wife was so impressed she decided to take a trip to the North Shore to see in person the various highlights mentioned in the book.

First published in 1941 as part of the American Guide Series, this lively book describes Minnesota's popular northern region. Special features include fifteen canoe trips; five maps; thirty-seven photographs; forty-seven city, town, and village profiles; four road tours; a chronology; a glossary; and a bibliography with updated suggestions for further reading in fiction and nonfiction about the region.
