**Nick Weisenberger : Things to do in the Smokies with Kids: Tips for visiting Pigeon Forge, Gatlinburg, and Great Smoky Mountains National Park** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Things to do in the Smokies with Kids: Tips for visiting Pigeon Forge, Gatlinburg, and Great Smoky Mountains National Park:

3 of 3 people found the following review helpful. Not much of a guide book  
By Rob  
Very short--more booklet than book, and very large print at that. Read it in a few minutes! No tips that I hadn't already found online. I bought it because it had specifically "kid friendly" suggestions, but here's the thing--as it turns out, almost everything in Gatlinburg and Pigeon Forge is great for kids! I think if you are internet savvy enough to be reading this review, you can find all the info in this book in about 5 minutes online.  
1 of 1 people found the following review helpful. Good resource  
By Amanda Phillips  
This was a great resource for taking my 5 -year-old son to see the Great Smoky Mountains. It has some good ideas for hikes and places to visit with kids.  
2 of 2 people found the following review helpful. Helpful  
By Donna Blackburn  
I learned a few new things. Some of the advice was good for adults without kids also. There were some words misspelled.

The Smoky Mountain region is an amazing vacation destination: majestic views, wonderful wildlife, thrilling rides, and relaxing walks are all to be found and enjoyed. Activities include relaxing, hiking, shopping, people watching, crafting, backpacking and more. You'll find something to suite every family members needs or interests. Things to Do in the Smokies with Kids will give you the tips and information you need to explore this popular and picturesque region with confidence. If you don't have time to sort through a 1,000+ page guide then this book is for you. Things to Do in the Smokies with Kids is not all encompassing; every single attraction in the area is not covered. Rather, it's a selective look at family oriented entertainment in the Smoky Mountains that are well worth visiting. The guide is organized geographically into three main regions (from North to South): Pigeon Forge, Gatlinburg, and the Great Smoky Mountains National Park. Some of the attractions reviewed include: Dollywood Theme Park The Island in Pigeon Forge Smoky Mountain Alpine Coaster Goats on the Roof Ober Gatlinburg Ripley's Aquarium of the Smokies Other tips to improve your vacation while visiting the Smoky Mountain region include: The best roads to take to avoid traffic congestion How to save money on almost every attraction The easiest waterfall to hike to in the national park Free things to do in Pigeon Forge The best Dollywood ticket values This isn't just a compiled list of second hand data from Google searches. This book is full of current information written from an author who has actually been to the region many times (and has the pictures to prove it). Learn about the top sights the entire family will enjoy, essential trip planning tips for traveling with kids, and how to improve your vacation by maximizing your time and dollars. It's your quick start guide to planning the perfect family vacation!
