About the Author Scott Wegener is a multi-award winning creative writer and game inventor who loves theme parks. As a stay-at-home dad he put the time his daughter napped in the afternoons to good use - no, not cleaning the house, but putting together this book. Living in the Yarra Ranges of Victoria, Australia, visiting any significant sized theme parks for Scott is a long and expensive process. This book has helped keep his passion for theme parks burning during the long wait between visits, and perhaps, if he sells enough, he won't have to make another one - and can clean up the house!
