**Rick Graetz, Susie Graetz : This is Montana** before purchasing it in order to gage whether or not it would be worth my time, and all praised This is Montana:

0 of 0 people found the following review helpful. GoodBy KThe book showed up a little more worn than i thought it would be, but it showed up on time and got the job done.1 of 1 people found the following review helpful. This is Montana, Vol IBy Barney ConsidineRick and Suzie Graetz have given us an excellent book. At our house, we keep it where it is readily available to our guests. The sections are short and self-contained. It is the perfect thing if a person

only wants to read for a few minutes. An example is the two pages on the Bannack-Corrine Freight Road used to bring supplies to the gold camps at Bannack and Virginia City. For a longer read before bedtime, a person might want the six pages covering a number of old trails, or the thirty-one pages describing the Yellowstone River. Native Montanans and out-of-state visitors alike appear to thoroughly enjoy the book. My wife and I use it as a starting point when we want to explore a new part of Montana. In additions to trails and rivers, there is information on Montana history, writers, scenery, towns, mountains, national parks, and a multitude of other subjects. The book may be largely a compilation of text from the many photographic essays that Rick and Susie Graetz have published over the years. However, the photographic books are very good, and so is "This is Montana, Vol. I." Personally, I am getting tired of asking book dealers when Vol. II will arrive; but I will buy multiple copies whenever it becomes available. This book makes a first-rate gift for anyone interested in Montana.

A comprehensive look at the geographic beauty of the state through 151 lively essays. Features 124 black-and-white photographs. Please visit us at [FarCountryPress.com](http://FarCountryPress.com) for more information and more Northern Rockies Publishing titles!

About the AuthorHusband-and-wife team Rick and Susie Graetz are writers, photographers, publishers, and adventurers. Together they have published books about a variety of places in the United States, as well as Southeast Asia and the West Indies; produce specialty publications for Montanas tourism sector; and write a weekly syndicated newspaper column called This is Montana. Rick is the founder of Montana Magazine.
